

## MT205B TTL Pen Barcode Scanner

MT205B is a classic TTL pen-style 1D barcode scanner that has been supplied to the market for over 25 years. The economical price point and ergonomic form factor offer lasting value. Due to the unique way of scanning through sweeping, MT205B is capable of smoothly scanning wide barcodes which are too wide to read by traditional gun-style barcode scanners.

### Pen-style Scanner of Lasting Value

- Read all major 1D barcodes in the market
- Rugged metal housing and 1.5M drop resistance
- Easy Installation and Configuration
- Scan wide barcodes smoothly

### Easy and Flexible Operations

- Sapphire-class crystal tip
- Unique way of scanning
